

North Central WI Workforce Development Board WAI Child Care Project

Let us help you on your way to becoming a certified or licensed home child care provider!

The North Central Wisconsin Workforce Development Board (NCWWDB) believes quality child care is the foundation to a healthy workforce and therefore are collaborating with local child care agencies to increase provider options for our working families.

Individuals participating in the child care project will receive a \$300 cash incentive payment for obtaining certification. Participants may also be eligible to receive additional cash incentives for reaching other milestones, such as completing a course in business/entrepreneurship, participating in YoungStar, and becoming licensed.
